Assistant Professor of Biology

McKendree University invites applications for a one year, non-renewable, non tenure-track position in biology for the 2010-2011 academic year. The successful candidate must be committed to excellence in undergraduate teaching and be qualified to teach courses in non-majors and majors introductory biology, genetics (both introductory and advanced), evolution, and human anatomy and physiology. A Ph.D. and prior teaching experience are required. McKendree is a comprehensive university with an on-campus enrollment of approximately 1,300 located about 25 miles from downtown St. Louis in historic Lebanon, Illinois. Salary and fringe benefits are competitive. Interested persons should electronically submit a cover letter, curriculum vita, and three letters of recommendation to Shirley Rentz (sarentz@mckendree.edu), Director of Human Resources, McKendree University, 701 College Road, Lebanon, IL 62254. The review process will begin immediately and continue until the position is filled. AA/ADA/EEO. See the McKendree University home page for more information.
